Re: Privacy Act Request for Access of Records and Return of Personal Property

To Whom This May Concern:

This is a privacy act request for access of records under the Freedom of Information Act of 1974 and the Massachusetts Public Records Law (M. G. L. Chapter 66, Section 10).

[I, Sean A. Welenc, sui juris, under Common Law Jurisdiction, hereby request the following information, without dishonor, pertaining to an event that occurred around 9pm on December 5, 2020, while driving my 2012 Subaru Legacy. I, Sean A. Welenc, hereby request reimbursement of \$108 paid to Koch's Automotive, 44 Main Street, Greenfield, MA, and the immediate return of my stolen personal property: two EXEMPT plates, my passport, and my Cannabis, without delay].

1. Date/time when 4-5 police gang-stalked me on December 5, 2020
2. The exact reason that 4-5 Greenfield police were triggered to gang-stalk me, seize my vehicle and have my car towed to Koch's Automotive, 44 Main Street, Greenfield, MA. Driving through a "Yellow" Light is no reason to accuse me of a Criminal Offense.
3. Explicit **Federal/Constitutional Laws** that I allegedly violated when 4-5 police seized:
 - A. My 2012 Subaru Legacy
 - B. My Two Vehicle Plates "EXEMPT – Not For Hire (UCC 9-109(1); UCC 1-308)"
 - C. My Passport (it is a Federal crime to steal Passports; I have reported it stolen)
 - D. My Cannabis (which is legal). I never demonize police officers for their use of cannabis.
4. Explicit **Federal/Constitutional Laws** that prohibits me from driving with a Passport and EXEMPT Plates; AND explicit **Federal/Constitutional Laws** that would make me a criminal.
5. Explicit reasons why 4-5 police failed to issue me a Warrant to steal my car, my plates, my passport, my cannabis, however, unable to find my "Proof of Car Insurance" in the glove compartment?
MA Constitution Bill of Rights Article 1. Sec. 14: Every subject has a right to be secure from all unreasonable searches, and seizures of his person, his houses, his papers, and all his possessions. All warrants, therefore, are contrary to this right, if the cause or foundation of them be not previously supported by oath or affirmation; and if the order in the warrant to a civil officer, to make search in suspected places, or to arrest one or more suspected persons, or to seize their property, be not accompanied with a special designation of the persons or objects of search, arrest, or seizure: **no warrant ought to be issued but in such cases, and with the formalities, prescribed by Law.**
Violating Oaths of Office is Treason.

Note: ICCPR Article 7: No one shall be subjected to torture or cruel, inhumane or degrading treatment/punishment.

Whereas, I, Sean A. Welenc, sui juris, filed IRS Forms 4506-A, 13909, 3819-A, and 211 requesting Public Inspection of tax-exempt status or Political Organization, of Massachusetts Supreme Judicial Courts, d/b/a Franklin County District Court. See correspondence from Dept. of the Treasury dated February 28, 2020, indicating that no such tax-exempt agency exists (refer to IRS Investigation Claim #2020-006720), proving that Franklin County Courts are For-Profit Private Corporations, complete with Dun and Bradstreet numbers, committing fraud in exchange for \$emoluments.

Common Law Courts are the Supreme Law of the Land. I will not submit to judicial and/or police tyranny. The Constitution is not suspended during a Plandemic. NO Constitutional Law permits any Court/Judge to contract with State Actor(s) to gang-stalk, kidnap, imprison, abuse, threaten, torture The People in any way, shape or form. State Actors can be sued in their corporate and individual capacities. FRAUD VIDIATES ALL VOID AB INITIO.

Greenfield Police/Dept., Massachusetts Supreme Judicial Court, d/b/a Greenfield, District Court, Greenfield, MA, are in direct violation of the Clearfield Trust Doctrine

Clearfield Doctrine

Supreme Court Annotated Statute, Clearfield Trust Co. v. United States 318 U.S. 363- 371 1942.

Whereas defined pursuant to Supreme Court Annotated Statute: Clearfield Trust Co. v. United States 318 U.S. 363-371 1942: "Governments descend to the level of a mere private corporation, and take on the characteristics of a mere private citizen . . . where private corporate commercial paper [Federal Reserve Notes] and securities [checks] is concerned . . . **For purposes of suit, such corporations and individuals are regarded as entities entirely separate from government.**"

When private commercial paper is used by corporate government, then government loses its sovereignty status and becomes no different than a mere private corporation.

As such, government then becomes bound by the rules and laws that govern private corporations which means that if they intend to compel an individual to some specific performance based upon its corporate statutes or corporation rules, then the government, like any private corporation, must be the holder-in-due-course of a contract or other commercial agreement between it and the one upon who demands for specific performance are made.

Further, the government must be willing to enter the contract or commercial agreement into evidence before trying to get the court to enforce its demands, called statutes; very important because it is a 1942 case that was decided after the UNITED STATES CORPORATION COMPANY filed its "CERTIFICATE OF INCORPORATION" in the State of Florida (July 15, 1925). And it was decided AFTER the 'corporate government' agreed to use the currency of the private corporation, the FEDERAL RESERVE. Private Currency / Federal Reserve.

Whereas, I, Sean A Welenc, sui juris, under Common Law Jurisdiction, deny that I am a government employee of the State of Massachusetts. If the state or Magistrates wish to say different then prove that I have been a paid employee of federal or state Government.

Whereas, all codes, rules, policies, statutes, regulations are unconstitutional and lacking due process of law (Rodrigues v. Ray Donovan, U.S. Department of Labor, 769 F.2d 1344, 1348 (1985); ... the state of Massachusetts is "void for ambiguity" in their failure to specify the statutes' applicability to "natural person," otherwise depriving the same of fair notice, as their construct by definition of terms aptly identifies the applicability of such statutes to "artificial or fictional corporate entities or 'persons', creatures of statute, or those by contract employed as agents or representatives, department subdivision, offices, officers, and property of the government, but not the "Natural Person" or American citizen immune from such jurisdiction of legalism.

Whereas, Common Law is the Real Law, the Supreme Law of the land. codes, rules, regulations, policies, statutes, regulations "are not law" (Self v. Rhay, 61 Wn 2d 261); they are the law of government for INTERNAL regulation, NOT the law of man.

Whereas, it (the legislature or statutory laws) may not violate constitutional prohibits or guarantees OR AUTHORIZE OTHERS TO DO SO (Lockard v. Los Angeles 33 Cal 2d 553; Cert den 337 US 939).

Whereas, The Bill of Rights in the American Constitution has not been drafted for the introduction of new law, but to secure old (already existing principles against abrogation or violation (Weimer v. Bunbury, 30 Mich 291; 1874 Mich. LEXIS 168 (1874)).

Note: MA Constitution Bill of Rights Article 1. Sec. 5: All power residing originally in the people, and being derived from them, the several magistrates and officers of government, vested with authority, whether legislative, executive, or judicial, are their substitutes and agents, and are at all times

accountable to them (i.e., law enforcement are to serve and be accountable to "We The People".
Note: MA Constitution Bill of Rights Article 1. Sec. 7: Government is instituted for the common good;
for the protection, safety, prosperity and happiness of the people; and not for the profit, honor, or
private interest of any one man, family, or class of men.

Thank you for your immediately consideration of this request. I look forward to your response.

Respectfully (without prejudice UCC 1-207)
